2014-NPFO-00278	05/16/2014		requesting a series of audio and video of several verbal confrontations I was involved in with several of the security guards at the HHS Dallas Regional Office at 1301 Young Street, Dallas, Texas. The first incident occurred on May 5, 2014 around 9:30am. This video and audio will show me trying to enter the building through the Young street entrance while security guards (b)(7)(C) were on duty. Second incident occurred on 5/7/14 around 6:40am at the Young street entrance in which I was accused by security guards, (b)(7)(C) of filming the security equipment and guards at the Young street entrance. I am also requesting video and audio on 5/7/14 around 8:40am while security guard, (b)(7)(C) was on duty at the employee entrance in the back of the building. Video will show me stopping to ask her what the proper procedure was for entering the building with my cell phone in which she refuses to answer. I am also requesting video and audio at 10:37am also on 5/7/14 in which I asked security guard, (b)(7)(C) who was on duty at the employee/back entrance- for her name. Video will show (b)(7)(C) attempting to cover her badge and calling for her supervisor (b)(7)(C) who comes out and eventually begins yelling at me and creating factitious policies in an effort to conceal her name. Also, on the same day, 5/7/14 around 3:05pm as I was exiting the building through the employee entrance I was falsely accused of "filming" by security guard, (b)(7)(C) I would like a copy of this video as well. Lastly, I am requesting a copy of video and audio on 5/15/14 at 9:20am in which once again I entered the building through the Young street entrance and approached security guard, (b)(7)(C) and asked for her name. Video and audio will show her yelling at me and becoming confrontational and combative.
