## Emergency Services Sector

22. *June 16, Associated Press* – (California) **Mayor of Santa Ana named in pot shop raid lawsuit.** The Santa Ana mayor, a city employee, and several officers were accused June 16 of allegedly soliciting \$25,000 in payments and gifts from marijuana dispensaries that guaranteed business licenses in lottery systems and claiming police were used to shut down operations that did not compensate monetary funds. An investigation is ongoing to further assess the case.  
Source: <http://www.nbclosangeles.com/news/local/Lawsuits-To-Be-Filed-Against-Santa-Ana-After-Pot-Shop-Raid-307406381.html>
23. *June 16, KFSM 5 Fort Smith* – (Arkansas) **Greenwood police identify suspect accused of stealing police car, crashing it.** The Greenwood Police Department reported June 16 that an Arkansas woman was arrested after she allegedly led police in a high-speed car chase, stole a police car, crashed the vehicle into a gas well, and attempted to procure an assault rifle from the police vehicle.  
Source: <http://5news.com/2015/06/16/woman-steals-police-car-crashes-it-greenwood-police-say/>
24. *June 16, KXAS 5 Fort Worth* – (Texas) **Third man arrested in Garland “Draw Muhammad” shooting: authorities.** Texas prosecutors reported June 16 that a man was charged for allegedly helping plan a shooting attack at a provocative cartoon contest in Phoenix, Texas that killed 2 men and injured a security guard during a police shootout. An investigation is ongoing to find associated perpetrators.  
Source: <http://www.nbcdfw.com/news/local/Third-Man-Arrested-in-Garland-Draw-Muhammad-Shooting-Authorities-307578041.html>
25. *June 15, State College Centre Daily Times* – (Pennsylvania) **Former State College officer charged in police department evidence theft.** A former State College police officer was charged June 15 for allegedly tampering and stealing drug evidence, including 23 counts each of different drug charges, 14 counts of evidence tampering, and a theft charge, while on duty as an evidence custodian in August 2013.  
Source: [http://www.centredaily.com/2015/06/15/4795257\\_state-college-officer-charged.html?rh=1](http://www.centredaily.com/2015/06/15/4795257_state-college-officer-charged.html?rh=1)

For another story, see item [29](#)

[\[Return to top\]](#)

## Information Technology Sector

26. *June 17, Softpedia* – (International) **Retrospect clients patched to prevent exposure of backup files.** Retrospect Inc., released a patch addressing a password hashing vulnerability in its network backup utility for Apple, Linux, and Microsoft Windows operating systems (OS) in which an attacker with access to networked clients could gain access to users’ backup files.

Source: <http://news.softpedia.com/news/Retrospect-Clients-Patched-to-Prevent-Exposure-of-Backup-Files-484577.shtml>

27. *June 17, Softpedia* – (International) **Over 600 million Samsung devices vulnerable to keyboard security risk.** Security researchers at NowSecure discovered a remote code execution vulnerability in the SwiftKey Android app in which an attacker could access device sensors, pictures, and text messages, alter or install apps, or listen to voice-calls. The vulnerability was patched in early 2015.

Source: <http://news.softpedia.com/news/Over-600-Million-Samsung-Devices-Vulnerable-to-Keyboard-Security-Risk-484562.shtml>

28. *June 16, SC Magazine* – (International) **Study: 15-30 percent of eCommerce site visitors infected with CSIM.** A report released by Namogoo revealed that 15 – 30 percent of eCommerce site visitors are infected with client-side injected malware (CSIM), and that attacks have increased by 20 percent in the last 6 months, among other findings.

Source: <http://www.scmagazine.com/namogoo-study-shows-nearly-a-third-of-e-commerce-site-visitors-could-be-infected-with-csim/article/420346/>
