2020-NPFO-00089	Matlis, Margarita	Why the government is giving millions of dollars in taxpayer dollars to extremist, radical Islamist organizations, EVEN MORE THAN OBAMA EVER DID!!!!!! CAIR was recently the recipient of the \$100,000 Department of Homeland Security grant as part of its DHS's Nonprofit Security Grant Program. In addition to monies given to CAIR, MEF found that the government gave: \$57,000 to the Muslim American Society (MAS). In 2008, federal prosecutors said that "MAS was founded as the overt arm of the Muslim Brotherhood in America. Last year, children from an MAS school recited poetry about the killing of Jews; \$100,000 to Dar al-Hijrah, an extremist mosque in Virginia. A 2002 Customs and Border Protection document stated that DAH is "operating as a front for Hamas operatives in U.S." A December 2007 document said DAH "has been linked to numerous individuals linked to terrorism financing"; and Al Qaeda leader Anwar Al-Awlaki was DAH's imam from 2001 to 2002. Al-Awlaki's sermons were attended by two of the 9/11 hijackers and Nidal Hassan, who later shot 13 soldiers to death in a jihadi attack at Fort Hood in 2009. \$41 million in federal grants to Islamist radicals since 2007 (not including grants given in the last few months)	1/28/2020
