

## Personal Radiation Detector Maritime Variant (PRD-M)

The Department of Homeland Security (DHS) has established two single-award Blanket Purchase Agreements (BPAs), which allow all DHS Components to procure associated accessories, training, and maintenance for the Maritime Variant Personal Radiation Detectors (PRD-Ms). PRD-M devices provided by these BPAs must be purchased by a Contracting Officer supporting the Countering Weapons of Mass Destruction (CWMD) Office.

### Key Contract Vehicle Features:

- Maintains lower overall prices compared to industry standards due to volume discounts and task order competition;
- Encompasses validated Department-wide requirements;
- Includes equipment tested by Countering Weapons of Mass Destruction Office (CWMD);
- Increases efficiency in the acquisition processes to provide the necessary equipment and associated resources for DHS frontline users in a more-timely manner.

### Period of Performance (POP):

One-year base period, plus four one-year option periods (09/17/2019 – 09/16/2024)

### Number of Awardees:

Two (One large business and One Distributor [small business credit not applicable])
