We request a waiver of fees for this request. Disclosure of the requested information to us is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in our commercial interest. The information requested, once obtained, will be made available to the public via release to the media, delivery to the Congress of the United States, release to citizen groups and scholars nationwide who are engaged in 9/11 related oversight and investigative activities, delivery to appropriate law enforcement agencies, and delivery to interested public libraries; and via analytical reports prepared by the 9/11 Working Group which will be released to all of the aforementioned agencies and parties. The 9/11 Working Group is currently an unincorporated association of citizens, in the process of incorporating as a not-for-profit organization, concerned about 1) the failure of officials of the United States Government to fully and accurately disclose the truth regarding the tragic events of September 11, 2001, and 2) potential official misconduct and violations of law by government officials related to the events that occurred on 9/11/01, and related to the prelude and aftermath of 9/11/01.

If any expenses in excess of \$20.00 are incurred in connection with this request, please obtain our approval before any such charges are incurred.

We will expect a response within 20 working days as provided by law. As noted above, if our request is denied in whole or in part, we expect a detailed justification for withholding the records. We also request any segregable portions that are not exempt to be disclosed.

We request that the information we seek be provided if possible in electronic format, and we would like to receive it on CD-ROM or DVD.

We may be contacted during business hours at the number for attorney Mick Harrison indicated below, if necessary, to discuss any aspect of our request. Thank you for your prompt attention to this matter.

11. Any training by any of the hijackers in aircraft or simulators at any commercial flight school in the United States or any other country;

16. Any reports, surveillance, interceptions, or other records showing any of the hijackers being alive after September 11, 2001; and
17. Any reports, surveillance, interceptions, investigations, or other evidence casting doubt on the identity of any of the hijackers.

Please be advised that DHS was created January 24, 2003; therefore, no DHS records exist prior to that date. Records created prior to the establishment of DHS by any of the agencies that are components of DHS would be maintained by those components. Furthermore, much of the information listed above would be under the purview of one more other U.S. Government agencies or non-governmental entities.

As it relates to **Items 1 – 7, 11, 12, 15, 16, and 17**, these items of your request seek information pertaining to surveillance of the hijackers or other information, which would have occurred prior to the creation of DHS. However, in the chance that such records may be in the possession of DHS, I am referring this portion of your request to the DHS Office of Intelligence and Analysis (OI&A). You may contact the FOIA Officer for OI&A, Reginald Hudson, via telephone at 202-282-9889, via fax at 202-282-8191, or in writing at U.S. Department of Homeland Security, Office of Intelligence and Analysis, Attn: Reginald Hudson, Washington, D.C. 20528.

As it relates to **Item 8**, this information would likely be under the purview of the former Immigration and Naturalization Service (INS). Therefore, I am referring this portion of your request to U.S. Citizenship and Immigration Services (USCIS) for a search of legacy INS files. You may contact the USCIS FOIA Director, Brian Welsh, in writing at USCIS National Records Center (NRC) FOIA/PA Program, P.O. Box 648010, Lee's Summit, MO 64064-8010, or via telephone at 816-350-5570.

As it relates to **Item 9** of your request, this information is likely under the purview of the Department of Defense. You should direct this portion of your request to that agency. Please visit www.defenselink.mil for further information.

As it relates to **Item 10** of your request, you should query the Department of Agriculture for records of loan applications submitted to that agency by any of the hijackers. Please visit www.usda.gov for further information. As for your request for records of loan applications to "any other U.S. government agency," DHS can only respond as it relates to DHS records. As the processing of consumer loans is not something that falls within the DHS mission, we would not have records responsive to this portion of your request.

As it relates to **Item 13**, this information is under the purview of the Federal Aviation Administration, a component of the U.S. Department of Transportation (DOT). Therefore, it is recommended that you direct this portion of your request to the DOT. Please visit www.dot.gov or www.faa.gov for further information.

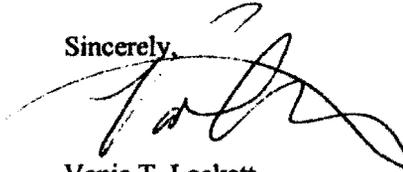

As it relates to **Item 14**, this information is under the purview of the U.S. Postal Service (USPS). Please visit <http://www.usps.com/foia/> for further information.

If there are any other DHS components that you would like us to search for records responsive to any of the 17 items listed above, please advise this office in writing. For your convenience, a list of DHS offices may be found at: <http://www.dhs.gov/xabout/structure/index.shtm>. You may also find it helpful to submit your request directly to the DHS component(s) of interest. A list of DHS disclosure contacts may be found at: http://www.dhs.gov/xfoia/Copy_of_editorial_0318.shtm.

If you deem this advisement an adverse determination, you may file an appeal. Should you wish to do so, you must send your appeal within 60 days of the date of this letter to: Associate General Counsel (General Law), U.S. Department of Homeland Security, Washington, D.C. 20528, following the procedures outlined in Subpart A, Section 5.9, of the DHS Regulations. Your envelope and letter should be marked "Freedom of Information Act Appeal." The implementing Department regulations establish the criteria under which the FOIA is administered. Copies of the FOIA and regulations are available at www.DHS.gov.

If we do not hear from you within 60 days of the date of this letter, we will assume that the actions described above are sufficient to respond to your request. Please refer to **DHS/OS/PRIV 07-630/Harrison request** in any future correspondence with this office. You may also reach this office via telephone at 571-227-3813.

Sincerely,

Re: DHS/OS/PRIV 07-630/Harrison request

Dear Mr. Harrison:

In the search for records responsive to your Freedom of Information Act (FOIA) request, dated March 11, 2007, the U.S. Department of Justice referred one document to the U.S. Immigration and Customs Enforcement (ICE) of the Department of Homeland Security (DHS) for processing and direct response to you. ICE subsequently forwarded the document to this office for appropriate handling. You are seeking information pertaining to the 19 individuals named as hijackers by the 9/11 Report of the National Commission on Terrorist Attacks upon the United States.

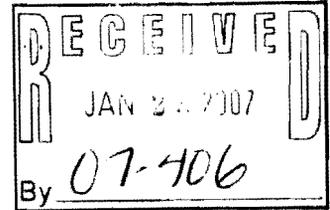

Upon initial review, I have determined that the referred document falls under the purview of the DHS Office of Operations Coordination (OPS). Therefore, I am referring the document to the FOIA Officer for OPS, Reginald Hudson, for processing and direct response to you. You may contact that office in writing at U.S. Department of Homeland Security, Office of Operations Coordination, Washington, D.C. 20528 or via telephone at 202-282-9889.

If you need to contact this office again concerning your request, please refer to **DHS/OS/PRIV 07-630/Harrison request**. This office can be reached at 866-431-0486.

Sincerely,

To Whom It May Concern:

I am writing to request Governor Arnold Schwarzenegger's immigrations forms. Specifically, I am curious as to whether or not he prepared the applications himself or whether he had a professional assist him. I have filled out the form to the best of my knowledge.

Yours truly,

Re: DHS/OS/PRIV 07-406/ Lopez request

Dear Mr. Lopez:

This letter acknowledges receipt of your request submitted to the Department of Homeland Security (DHS), received in our office on January 23, 2007, seeking information pertaining to the immigration records of Arnold Schwarzenegger.

Please be advised that DHS regulations require, in the case of third party information requests, a statement from the individual verifying his or her identity and certifying that individual's agreement that records concerning him or her may be accessed, analyzed and released to a third party. See 6 C.F.R. § 5.21(f). Because you have not provided this documentation with your request, we are unable to initiate searching for responsive records.

For your convenience, please access www.uscis.gov for the form that identifies all requirements for filing a perfected FOIA request. You should forward that completed form directly to the Associate Director for the United States Citizenship & Immigration Services (USCIS) National Records Center (NRC) FOIA/PA Program, Brian Welsh, at FOIA/PA office, P.O. Box 648010, Lee's Summit, MO 64064-8010, for processing and direct response to you. You may contact the NRC via telephone at 816-350-5570.

If you need to contact our office again about this request, please reference **DHS/OS/PRIV 07-406/ Lopez request**.

Sincerely,
