## Special Purpose Craft – Shallow Water (SPC-SW)

The Department of Homeland Security (DHS) established a single award, Indefinite Delivery/ Indefinite Quantity (IDIQ) contract to allow DHS Components the ability to procure Special Purpose Craft-Shallow Water (SPC-SW). The SPC-SW will be used to conduct missions in back bays, inter-coastal and other areas where shallow water prevents operations of deeper draft boats. The SPC-SW primary missions are: Search and Rescue (SAR); Law Enforcement (LE); and Ports, Waterway and Coastal Security (PWCS).

### Key Contract Vehicle Features:

- Three variants of SPC-SW II are available: a 24-foot version (USCG specifications) and a 24-foot & 21-foot version (CBP specifications);
- A warranty program is included that covers warranty labor, material, parts, shipping, and gas free certifications as required to effect warranty repairs; and
- Vehicle provides streamlined ordering procedures for acquisition efficiency.

### Period of Performance (POP):

Five-Year Ordering Period (9/26/2019 – 9/25/2024)

### Number of Awardees:

One small business within the 8(a) program
