Jordan,

ICE FOIA inadvertently left the redacted (b) (6) file off the CD and replaced it with a duplicate of the (b) (6) file. They sent over the missing file, which is attached herein. The letter is back with ICE FOIA undergoing revisions and I will forward as soon as I receive it.

Could you revise the ICE response letter to align with the language used in the OIG response letter for the areas where it is discussing the same issues (i.e. some of the exemptions, fee waivers, etc.) so we can ensure we are consistent?

Also, the file for (b) (6) appear to be identical - did one get left out by mistake?

Thanks!

Good afternoon all,

The draft Office of Inspector General interim response letter is attached for your review. The responsive records themselves are too voluminous to send via email. I will bring a CD containing the responsive records to the NAC

personally.

The ICE FOIA Office is revising the draft letter for their interim response and will be sending the letter over for review shortly. The responsive records for the ICE interim response will be sent along with the letter; these records have been released in response to previous FOIA requests.
