

Homeland Security

The following document was received by the Environmental Planning, Office of Safety and Environment, Management Directorate, Department of Homeland Security Washington, DC

Document Description:

If you destroy the environment trying to "protect us from terrorist" doesn't that mean the terrorists have won? Please do not destroy our world in order to serve it.

Jeff Dewan

If you destroy the
environment trying
to 'protect us from
terrorists' doesn't
that mean the terrorists
have won?

Please do not destroy
our world in order to
save it. Get down
